Note : 1. Gross enrollment rate = number of students at each education level ÷ demographics corresponding to the official school-age at each education level; Gross enrollment rate for Higher Education should include the number of students in the Religious Colleges, and exclude the number of students in the graduate schools and continuing schools.

2. Since the "Early Childhood Education and Care Act" was fulfilled in 2012, the kindergartens and the child-care centers were reformed to the "Preschools" from the SY 2012-2013.
